

Cynthia Marie Toth

Cindy Toth's 33 years of health care experience include a wide variety of settings. She entered health care in 1976 after completing her Bachelor of Science degree in Physical Therapy at The Ohio State University. She worked in treatment and leadership capacities for 8 years in the Sharp Health Care System in San Diego, CA before relocating to Gainesville, FL in 1984. After earning Master of Business Administration and Master of Health Science degrees from UF in 1988, Cindy worked for Shands Health Care until 2004. In that capacity, she served as Director of Operations at Shands UF and later as the administrator of Shands' community-based hospitals (Shands Rehab Hospital, Shands Vista Recovery Center psychiatric hospital, and Shands at AGH acute care hospital). From 2004 to 2008, Cindy was a senior administrator of a 60-physician private group practice, providing comprehensive diagnostic and ancillary services in 7 locations in north central Florida. Currently, Cindy is consulting in the areas of physician practice development and health care operations.
